Greetings Omega Parents,

The COVID-19 impact on our schools and communities continues to rapidly change by the minute, therefore our action plans and response must change accordingly.

Omega Alpha Academy will dismiss students starting tomorrow (November 20, 2020), and we will not resume instruction until January 4, 2021, as a preventative measure, due to the increase of COVID-19 cases. Online instruction will continue.

Parents are strongly encouraged to keep students home until the end of SY 2020-2021 and continue to utilize resources provided by the school. Should you need any instructional materials, please let us know and we will do our best to accommodate your needs.

School meals still will continue as long as we are able to provide this service. We will let you know as soon as we can should any changes occur.

We thank you for your understanding. Thank you for entrusting Omega Alpha with the education of your child.

Sincerely,

Jose Frisby

“The Mission of Omega Alpha Academy is to prepare students for college and career readiness, by engaging every student in a rigorous learning environment. The annual assessment test, such as the Galileo, will be measured by showing an increase of three percent on overall performance growth.”
