Dear Omega Parents/Guardians/Family:

You may or may not have heard of the latest TikTok challenge? Omega does not believe in the creditability of the threats that are alleged in this TikTok challenge. However, due to the volatility of today's environment, it is a gamble Omega chooses not to take. In the event the you are not familiar with the TikTok challenge that I am referring to, the challenge alleges that tomorrow will be a day that school shootings may happen. Omega is unaware of any threats against our school or any other school for that matter.

Having stated this, Omega administration has decided to err on the side of caution. Omega will host the normally scheduled classrooms via our google classroom platform. Should you have any questions or concerns please do not hesitate to contact us. To reiterate, Omega will have all online classes at the regularly scheduled times.

Wishing everyone a safe, joyous, and restful break!

Respectfully,

---

Estimados padres / tutores / familia de Omega:

¿Puede o no haber oído hablar del último desafío de TikTok? Omega no cree en la credibilidad de las amenazas que se alegan en este desafío de TikTok. Sin embargo, debido a la volatilidad del entorno actual, es una apuesta que Omega elige no tomar. En caso de que no esté familiarizado con el desafío de TikTok al que me refiero, el desafío alega que mañana será un día en el que pueden ocurrir tiroteos en las escuelas. Omega no está enterado de ninguna amenaza en contra de nuestra escuela o cualquier otra escuela.

Habiendo dicho esto, la administración de Omega ha decidido pecar de cauteloso. Omega albergará las aulas programadas normalmente a través de nuestra plataforma de clases de Google. Si tiene alguna pregunta o inquietud, no dude en ponerse en contacto con nosotros. Para reiterar, Omega dará clases en línea en horario regular.

¡Deseando a todos un descanso seguro, feliz y relajante!

Respetuosamente,

---
